

BLESSED SACRAMENT CHURCH

What happens if we raise more than our campaign goal of \$1,000,000?

We would love to build the \$127,000 bell tower that is designed after the bell tower on the Basilica of St. Francis of Assisi in Assisi.

We may be able to build the \$274,000 multipurpose room and kitchenette that can be used for Sunday morning coffee and donuts and small pancake breakfasts and can seat up to 125 in round tables!
