

I Make All Things New Campaign Prayer

O God of wondrous love, we thank you for the many blessings and gifts you have bestowed upon us as you continually make all things new in our lives.

As your disciples, we seek to renew ourselves spiritually and help build our parish community to further your Kingdom on earth. Your words spoken to St. Francis, "Rebuild my house!" are alive in our parish community today as we go forward to rebuild our church.

Unite us Lord in your name and Spirit and in the footsteps of St. Francis, strengthen us to empty ourselves and open our minds and hearts to your grace as we face the challenges and sacrifices of this journey.

We ask this through Christ our Lord! Amen!

Mary, Mother of the Church, pray for us!
Sts. Francis and Clare, pray for us!
