## Grand Knights Report

Brothers,

A lot has happened this past month. Events where awards are presented are always a fun time. Personally I would rather give than to receive because I feel I get more out of it that way. I want to thank all the Brothers and their families for all the efforts put in this past year in order to accomplish what we as a council have done.

In the council, we have recently had some Brothers in the midst of overcoming some life-changing obstacles, where they could use some prayers to get through the rough times. So please keep them in your hearts and minds.

I would like to also thank our insurance agent, Brother Jason Kroeger, for all that he has done in the really short amount of time he has had in working with our

council. Going into the beginning of June we were just inches away from being a candidate for STAR council, where we just needed to make the insurance quota to get over the hump. With his and the council's help, I believe we made it. Whether we made it or not, I want to thank you all for the valiant efforts. Remember, when the council succeeds (as we always do) Pius X #3498 becomes a very popular phrase at the State meetings. And it makes me feel very special to represent YOU.

We are about to start a new year with a new team of officers -- some are new in the council and some have been around for awhile. We have a lot of events heading toward us fast so it's time to move, and show the State Council and Supreme what this council CAN really do.

Tomorrow is Independence Day and I would like to offer a special prayer to all those who are in harm's way, abroad and local, and those who have laid down their lives to give us this freedom we have received.

Blessings,

MarkusB.

*May the glory of Independence Day  
Remain in mind in heart  
May we cherish our hard-won freedom  
That it never falls apart.*

*Because those who walked before us  
Believed in freedom's cause so much  
We can carry forth a torch  
Of honor and 'In God We Trust'.*

*That first Independence Day  
Now more than two centuries past  
Must live forever in our thoughts  
Never forgotten - never a lapse.*

*It is a precious land we hold  
In safekeeping for our children  
That they, as we, may enjoy  
Lives bountiful, worth living.*

*May God's blessings ever  
Ring out over all our land  
A toast of praise we raise today  
Americans - join hand in hand!*
