*“ . . . you are
the ones that run
the show.”*

Brothers,

Summer is almost upon us. The first of my two years as Grand Knight of Council 3498 has been an adventurous one to say the least. I have been blessed to have so much help from my fellow brother Knights in order to make the tasks for this

position much easier to handle.

Myself and the Deputy Grand Knight elect, Brother Melville Pais, have just come back from a very eventful State Convention in New Bern. So many awards were given, in which I plan to share with you. This just shows that WE are a very active

council in the state. Remember I am just the one to represent you brothers (and families) of OUR council. It is not me who does the work because you are the ones that run the show and bring it on home.

We are doing very well with our membership currently but can always do better. I want to congratulate the Membership Director Tommy Robards and others who are putting so much effort as possible. As of the past month the council has a plus (+) 9 overall for membership when it comes to the Membership quota for the current year. The point of concern is the Insurance quota. Let's all do not forget that when it all comes down to it, the ones that really matter in our lives are depending on us financially when our time is called up to come home to be with the Lord. I will always remember the worries I had every day (a couple years back) when I did not have insurance through the Order. But when I did, a lot of the worries were relieved.

The council has many events to get prepared for coming this summer so let's get our boots on and get ready to rumble....

Thank you my Brothers for a very successful year. I can't wait to see what is in store for the next.

Blessings,

Markus Bailey
