Grand Knights Report

Brothers,

We've hit the fall season on a dead run. Kicking things off, we began with our LAMB Sunday event, which set off a string of activities that'll keep us pretty busy through the fall. With our Tootsie Roll drives for LAMB, Blood Drives, Homeless Shelter and our most recent event, the BBQ Hoedown event, we're set to roll into October and November at full speed.

We have plenty to do and with our busy schedules, we need all the help we can get. I know it's tough to balance work and family with community and parish activities but please consider donating a little of your time when you can. We still have available slots for LAMB collections, for example. It's a fun and easy way to donate a little time, make a HUGE difference, and meet new people in your community. It's particularly enjoyable to watch the kids' faces when

A message from our insurance agent . . .

Sometimes it is easy to overlook the simplest of things.

Take the beneficiaries on your life insurance policies. If your policy was applied for and issued several years ago, it could very well be that the beneficiary originally designated to receive the proceeds from that policy needs to be updated.

Cont. from Page 1

you hand them a tootsie roll that you practically need a fork and knife to eat! Most times, parents are appreciative and gladly hand over a buck or two, or dig for loose change. Each time I've worked a shift, I've taken one or two of my kids. Yeah, they're embarrassed at first, but within minutes, they really begin to enjoy themselves. Yep, and they actually learn something too. God Bless our kids, eh?

If you can't break away for a tootsie roll drive, our council will be fully engaged this fall with a number of other very important activities that may peak your interest. We will soon be selling Christmas Cards for our "Keep Christ in Christmas" campaign. Our first Brunch with the Knights will be held on October 14, the 4th Degree Exemplification, a Blood Drive, Oktoberfest, and the Good Shepherd Kitchen round out our October calendar. If you have an interest in any of these activities, please don't hesitate to give me a call or email me. I'll put you in touch with one of our worthy director's and get you in there.

As I mentioned in my previous reports, we are one of the most exciting and active councils in the state, and you are the reason. You are the reason our programs and activities are so successful, and why we are recognized regularly by the community, the parish and the state. And for that, I thank you. Your council thanks you - and certainly, your parish and community thank you. And to all of you who donate so much of your time already, THANK YOU for always being there.

To quote many of our great leaders of the past, "Many hands make light work" and the good

work that we do is easier and more enjoyable. Oh yeah, and maybe we'll learn something new too! (Okay, most of us, anyway...) As a quick reminder, we will be having a First Degree during our October meeting. Please come and support the new candidates as they begin their journey in one of the greatest organizations in the world.

God Bless,
David Tamayo
