Grand Knights Report

My brothers,

I would like to share with you an article I found on the web recently regarding learning and acting upon opportunities:

Are You Ready for School
By Catherine Pulsifer, © 2008

The first week of September, a week many children start back to school after their summer break, is a time of preparation in obtaining school supplies and other necessary items to ensure the kids are ready for the upcoming year.

While most of us think of our children and preparing them, what about our own learning? It is a good time for us to think of our own learning and what we need to do to be prepared for opportunities that we would like to have in our own life.

Continuous learning prepares you to take advantage of opportunities. Setting a goal of continuous learning is the first step in being prepared to see an opportunity. The process of learning both stimulates and challenges your mind, and increases your capacity to see things in a new and different light.

A message from our insurance agent . . .

Sometimes it is easy to overlook the simplest of things.

Take the beneficiaries on your life insurance policies. If your policy was applied for and issued several years ago, it could very well be that the beneficiary originally designated to receive the proceeds from that policy needs to be updated.

Contact your Knights of Columbus representative today.

Cont. from Page 1

You cannot expect to attain success if you are not prepared. Life has a habit of giving back rewards in proportion to the effort we expend. If you put in little effort and expect big returns, you will be deeply disappointed. You don't get apples by planting lemon seeds.

Once an opportunity is identified, action must be taken. As part of your preparation to take full advantage of opportunities, make continuous learning a way of life, not just for your children but for yourself as well.

Don't miss the opportunity!

Along with that, I want to challenge you to take this message of continuous learning and taking advantage of opportunities, and put it to use in how we as Knights can provide higher level of charitable services in serving the Lord's needs. To get where this council is today, many strides of opportunities have already been taken and succeeded.

I want to thank each and every one of my fellow brother Knights and their families for the extra effort provided day in and day out for the council's accomplishments. Remember, with unity and fraternity, we can achieve anything to meet our charitable goals.

Vivat Jesus!

Markus Bailey WGK

❖ TYM

The Total Youth Ministry of Blessed Sacrament Church hosted a "Youth Lock-in" on the Parish grounds. Brother David Tamayo and his Praise and Worship band provided the music for the 5:00 mass and the lock-in. It was very well received by the teens and the TYM Coordinator. Brother David's daughter Claire led the Praise and Worship time during the lock-in. His son Michael played lead electric guitar, accompanied by Aaron Brookins on bass (son of Brother Sean Brookins), and George Reiss on acoustic guitar.

As our Deputy Grand Knight Jim Harris remained hospitalized, his wife requested help rearranging furniture in their home in preparation for Brother Jim's return. On September 27, these brothers along with Sheilah, the wife of Brother David Tamayo, arrived to rearrange several beds, pick up furniture from private storage and generally assist in smaller ways. It made things easier for Miriam Harris.

In loving memory of
Deputy Grand Knight Jim Harris
