Grand Knights Report

Brothers,

I want to thank all those who helped in the recent third degree exemplification the council hosted. Overall, the event went very well. Many kudos have been received for how the planning and execution of the event went. This just shows that with the right leadership in place, we as a council can accomplish even the most complex of tasks.

This past month has been very busy to say the least. However, it is becoming much busier in the coming months. The program director and his team of directors are getting pretty busy coordinating events such as Oktoberfest, Brunches with the Knights, Christ in Christmas, Baby Bottle campaign for Pro Life, Marian Hour of Prayer, LAMB events and Pie Baking, just to name a few. As you know, we are a very busy council, and every one of you Brothers is needed to make these campaigns successful.

For Membership, we are always striving our best to bring new members in, but we need to also think retention. Do you know a Brother that came into the Knights just to say "I want to be a Knight"? Sounds like a cool deal — has a worthy and catchy phrase. Represent the Catholic Church and be the right arm for Mary, mother of Jesus. What an Honor it may be to say that! And I won't have to do anything.

Wrong! If, this is true, it might be easier to say "I want to be a politician". The

A message from our insurance agent . . .

Sometimes it is easy to overlook the simplest of things.

Take the beneficiaries on your life insurance policies. If your policy was applied for and issued several years ago, it could very well be that the beneficiary originally designated to receive the proceeds from that policy needs to be updated.

point is, let's find out what brought these Brothers into OUR organization to be a Knight! I have positions open that need to be filled, and if need be some of the positions could use a committee, not just one Brother running it.

Now let's talk insurance. The November council business meeting is the annual Fraternal night, with what I believe will be including a delicious Spaghetti dinner. I am confident our Worthy Insurance Agent and Brother Jason Kroeger will also enlighten us with any new updates. Please open up your minds, doors (and wallets if need be) to allow Brother Jason the opportunity to discuss and hopefully bring you up to date with your Knights of Columbus Insurance needs. Remember, death is not an option. It will come sooner or later. We need to make sure our loved ones are cared for when this time comes.

The council has filled a new position that has solely been needed for some time now — a Media Director. All requests for newsletter, website, and advertising ideas pertaining to events will be funneled through this Director. Congrats to Brother Charlie Monteleone. Maybe now we can make sure if an event is scheduled, getting the information out earlier and to all media possible will not be a hindsight.

That's enough of me rambling. Again, thanks Brothers for all that you do for this council! Keep up the good work.

Have a Blessed Day.

Markus Bailey, Grand Knight
