Grand Knights Report

Next Council Meeting:
September 8th at 7:30 PM

My Brothers,

Sometimes with many of the financial burdens and other issues that heighten our daily worries, it is easy to overlook some of the clear messages the Lord provides us.

Here is a story I came across recently.

A young man was getting ready to graduate college. For many months he had admired a beautiful sports car in a dealer's showroom, and knowing his father could well afford it, he told him that was all he wanted.

As Graduation Day approached, the young man awaited signs that his father had purchased the car. Finally, on the morning of his graduation his father called him into his private study. His father told him how proud he was to have such a fine son, and told him how much he loved him. He handed his son a beautiful wrapped gift box.

Curious, but somewhat disappointed the young man opened the

September is Life Insurance Awareness Month

To help educate consumers about the need for and value of adequate life insurance protection, the Life Insurance Market Research Association (LIMRA) has published the following five facts. These statistics are certainly worth considering.

Fact 1: Nearly three-fourths of North Americans agree that life insurance is the best way to protect against premature death of the primary wage earner.

Fact 2: Twenty-four million households have no life insurance protection at all. Almost one third of adults have no life insurance protection.

Fact 3: Forty-four percent of all households either don't own life insurance and believe they should, or own life insurance and believe they need more. Among those that already own some life insurance, 40 percent believe they don't have enough.

Fact 4: One-fourth of primary wage earners feel they do not have a plan in place to provide a decent standard of living for their family if they died tomorrow. Twelve percent of families would immediately have trouble meeting everyday living expenses and another 15 percent would have difficulty keeping up after several months.

box and found a lovely, leather-bound Bible. Angrily, he raised his voice at his father and said, "With all your money you give me a Bible?" and stormed out of the house, leaving the holy book.

Many years passed and the young man was very successful in business. He had a beautiful home and wonderful family, but realized his father was very old, and thought perhaps he should go to him. He had not seen him since that graduation day. Before he could make arrangements, he received a telegram telling him his father had passed away, and willed all of his possessions to his son. He needed to come home immediately and take care of things. When he arrived at his father's house, sudden sadness and regret filled his heart.

He began to search his father's important papers and saw the still new Bible, just as he had left it years ago. With tears, he opened the Bible and began to turn the pages. As he read those words, a car key dropped from an envelope taped behind the Bible. It had a tag with the dealer's name, the same dealer who had the sports car he had desired. On the tag was the date of his graduation, and the words...PAID IN FULL.

How many times do we miss God's blessings because they are not packaged as we expected?

It is imperative to look beyond the first impressions when presented a path to follow.

Have a Blessed Day,

Markus Bailey, Grand Knight
